 To: [n.oreshkin@gmail.com](mailto:n.oreshkin@gmail.com)

**All BF Token (BFT) holders now have priority access to all future deals that we list only on BnkToTheFuture...**

*The BF Token (BFT) public sale sold out in 2 minutes and 17 seconds. We have now sold all \$33m worth of BFT and will update you when new ways to purchase BF Tokens (BFT) become available from those that want to sell.*

## OTHER BNK TO THE FUTURE NEWS

### TELEGRAM TOKEN SALE:

We have been given an allocation in the Telegram token sale which is our first 'priority access' deal for BF Token (BFT) holders. Those that are not token holders yet are still able to apply for any remaining allocations before Tuesday March 13th 2018. [For more details and to apply click here.](#) **NOTE - This particular deal is not open to US investors.**

## IN THE NEWS

Our CEO and Co-Founder of BnkToTheFuture - Simon Dixon, was the main speaker at one of Tokyo's recent events. Simon discusses how he discovered Bitcoin, the history of his involvement with Bitcoin and many of the changes he has seen since the birth of the crypto market to current times, as well as the history of BnkToTheFuture. This was followed by a debate with Roger Ver on Bitcoin vs. Bitcoin Cash. You can watch the full video [here](#).

## OTHER BNK TO THE FUTURE NEWS

### CONGRATULATIONS TO TELEGRAM:

We syndicated \$16,258,117 from our qualifying investors on our Online Investment Platform as part of their \$1.7bn raised to date. BFT holders were given priority access to participate. We have now witnessed \$1.7bn raised by a company without the need for an investment bank! We are super proud to be part of such financial innovation.

### BFT UPDATE:

We are proud to announce that BFT is now available for purchase on one of the largest cryptocurrency exchange - [Bitfinex](https://www.bitfinex.com/). You can also buy them at [Gate.io](https://gate.io/). Watch out for further announcements on more ways to purchase BFT as and when they become available. You can stay up-to-date with the BFT market on [CoinMarketCap](https://www.coinmarketcap.com/) [here](#).
